

JUDICIAL MISFITS - FUTURE CANDIDATES

Future candidates for the 2nd Edition of Judicial Misfits, which will be published in Dec. 2008, are listed by state and alphabet below. Due to the fact that I do not know at this particular time (Dec. 2007) the names of every candidate that deserves to be mentioned in the next edition, I will be updating the list of "Future Candidates" on Nov. 1, 2008. It certainly would not fair to exclude any judicial misfit for consideration by having an arbitrary cutoff date for consideration of deserving candidates. And I for one fully intend on giving every deserving candidate an equal opportunity to make the cut.

Judicial Candidates that are **highlighted in Green** denotes that they were finalists for the 1st Edition and will be first in line for consideration for the 2nd Edition (as close to a slam-dunk candidate as you can get, if ya know what I mean). Candidates **highlighted in Yellow** denotes that their conduct has been judged to entitle them to serious consideration for inclusion in the 2nd Edition; however, there is no guarantee that these candidates will not be replaced by those who are more deserving.

I invite any and all Future Candidate to forward to me any information that would tend to solidify his or her standing as a qualified Judicial Misfit so that I can assure that only those that truly deserve to make the 2nd Edition. Additionally, I invite any prospective candidate and/or those named in the 1st Edition of "Judicial Misfits" to contact me with information regarding any misfit that they believe deserves consideration that is not listed herein. Obviously, I would be remiss if a deserving candidate wasn't give due consideration as a result of his or her outstanding disservice.

FUTURE CANDIDATE SOLICITATION

I would invite any victim of a Judicial Misfit to contact me at Noethics1@aol.com and provide me with any information involving any and all misconduct involving any judicial officer. I can assure you that your communications will remain confidential if you wish. With your assistance and working together, we can assure that no deserving Judicial Misfit is left with the empty feeling that he or she was not given the credit they are entitled too.

CATEGORIES OF ACCOMPLISHMENTS

After the name of each future candidate, you'll see various terms like (a) moron, (b) scofflaw, (c) loser, (d) Roy Bean, (e) pervert, etc. These terms describe a candidates achievements/accomplishments. Categories may change prior to publication if a candidate has managed to qualify for multiple categories (double/triple-threat so to speak).
