

## **Upcoming books**

### **Judges: Indentured Servants**

A sad and compelling story on the Judiciaries claim that they're overworked and woefully underpaid

### **Benevolent Conservatives**

A heart-wrenching and compelling account of those who gave the most for us and those that didn't

### **Is Religion a Business?**

The adventures of Elmer Gantry Wannabees (aka, Charlatans)

### **Attorney Misfits**

The truth about an Industry that is out-of-control and answerable only to itself
